About US (Who We Are)

Namaad farayand sobh Company (NFS) is one of the leading cereals & snacks manufacturing companies in Iran. We mainly produce corn flakes, muesli, grains and flours, bread crumbs, rice and energy bars.

Focusing on nutrition values also bringing innovation to our manufacturing, has made our products especially our cereals a nutritious breakfast option for the families. We have gained widespread acceptance in Iran through cost-friendly prices hoping to replace junk food with our nutritious products mainly among children in the country.

Acquiring international certifications as ISO 9001, ISO 22000, HACCP and also Iran National Standards Organization's (INSO) mandatory quality sign, has enabled us to produce highest quality products aimed for enriching our customer's nutrition basket.

All operations and processes are monitored closely by highly qualified staff and the flow of raw materials from receiving to the completion is under strict hygienic quality control.

Our relentless efforts have made us a market leader in corn flakes and muesli market with more than six best-selling flavors in the country. We intend to export our products worldwide.
